With the MicroVision **SHOWWX+™**, the world's first laser projector is now even brighter - our PicoP® display engine allows you to enjoy deep, rich color projection with bright and vivid laser images that are always in focus. Even on curved surfaces. We call this 'infinite focus'.

### Big Screen

The **SHOWWX+** is designed to bring the "big screen" experience to the mobile environment.

### Pocketability

The **SHOWWX+** is optimized for the mobile user where ease of use and "pocketability" are key requirements.

### Spontaneously

The **SHOWWX+** is aimed at users who want to "spontaneously" share video, photos and presentations with their family, friends and colleagues

### Travel

The **SHOWWX+** serves all those who desire to share content wherever they travel

View or share photos, movies, TV shows, music videos, YouTube™ podcasts or presentations

Apple iPhone, iPad and iPod approved. Works with Macbook and other laptops via **SHOWWX+ VGA DOCK**
